menu

At Cloudhouse we are passionate about bringing you delicious and nutritious food in relaxed, welcoming surroundings. Our food is made using the finest ingredients with a focus on organic, seasonal and locally sourced products.

We welcome children and are happy to accommodate special diets, so please let us know if you have any particular requirements.

Good food shouldn't "cost the earth" and we make every effort to care for the environment. At Cloudhouse we heat with biomass, recycle, compost and use environmentally friendly packaging and suppliers.

We hope you enjoy the Cloudhouse experience!
